

## Student Council

Welcome to the SAC at Glenforest! At Glenforest Secondary School, we follow our motto "Offer the best, Expect the best, To be the best" and you should expect no less if you choose to join the Student Activity Council.

What is the SAC?

The Student Activity Council exists to represent the student body here at Glenforest. We plan school socials and local charity events such as the annual Spirit Day and Toys for Tots. Currently, as the biggest extracurricular club at the school, we create exciting school events in the hopes of enhancing the lives of students. As the page was designed by the council, views on this page represent strictly the council's opinions.

Weekly meetings for council members are Mondays in room 126. New members are always welcome.

Should students have any comments or concerns, they can contact the Council Exec team at [glenforest.sac@gmail.com](mailto:glenforest.sac@gmail.com)
