Summer Research Proposal

Student Name: _____

Subject: _____

Working Title:

Do I need to work at an academic library this summer in order to develop my research?

Which library will I attend? _____

How many hours do I believe I need to accomplish my goals? _____

When (dates) will I do my research? _____

Do I need to do my experimentation/field study? _____

When? (be as specific as possible): _____

Outline as precisely as possible, what you plan on achieving this summer and your method (plan) for achieving this goal. Keep in mind that you are required to hand in a completed first draft on September 8, 2008 to your mentor for "Rough Draft Feedback".

Hand in a copy of this proposal signed by your mentor to MRS. MARSH during the week of June 17 to June 23. Failure to meet scheduled deadlines will place you in a position of MALPRACTISE whereby your EE will NOT be accepted by IB.
