Thank you for your interest in Bus to School program for the 2012/2013 school year. The IB program at Glenforest Secondary School draws exceptional students from across Mississauga. The school board does not provide transportation for such regional programs and parents are responsible to arrange transportation on their own.

We have been successfully providing affordable bussing services for such regional programs within the GTA. We help your child to focus more on their studies by bussing them from home to school and back by a quick and safe method. Our goal is to provide the most economical and efficient transportation system possible for as many IB students as possible.

The Bus to School bussing program is open to every student enrolled in the IB program who resides in the Region of Peel and attends Glenforest Secondary School. Bus service is available within the following boundaries:

To the North	the south side of 401
To the West	the east side of Ninth Line
To the East	the west side of the Mississauga/Toronto border

COST PER STUDENT

The cost of bussing for the 2011/2012 school year is \$1300 per student. The cost for 2012/2013 school year shall be available in the new application package which shall be available in February 2012.

RIDE TIMES AND WALKING DISTANCE

Each year the routes are structured to best accommodate the students enrolled in the Bus to School Bussing Program. Once the routes have been established riders are notified, by end of July, of their stop location and time. Students can expect pick up times to be from 6:45 a.m. to 7:45 a.m. to ensure that all students arrive safely at school by approximately 8:15 a.m. Students can expect the average walk distance from home to the bus stop to be 1km or less.

APPLICATIONS

The bussing application will be available by February 15, 2012. Once the school notifies you of your IB acceptance please visit our website at www.bustoschool.com to apply for bussing. Applications must be submitted latest by April 30, 2012. **Please note that priority is decided based on the date of receipt of application and is purely on first come first serve basis.**

Should you require further information, please feel free to contact us via email at contact@bustoschool.com or by telephone at 416- 988-4400

Helpful Tip – You may consider car-pooling as an option though need to be fully aware of your liability in case of any mishap. Do talk to your vehicle insurance company before car-pooling.
