

The IB Programme at a Glance

Diploma Subject Areas

Pre IB Programme Grade 9 & 10

- Sets the foundation for the IB Diploma Programme
- Offers courses designed to integrate IB expectations with Ontario requirements
- Prepares students for the academic rigours of the IB Diploma Programme

IB Diploma Programme Grade 11 & 12

- The IB Diploma Programme begins in grade 11 with students following an internationally developed course of study which is consistent around the world
- Students must successfully complete all of the courses in the grade 9 & 10 IB Preparatory Programme in order to continue in the Diploma Programme
- Students study six subjects and the Theory of Knowledge course. All courses have a final exam in May worth 60% - 80% of the final mark
- Portfolios, commentaries or projects constitute the remaining part of the final mark
