

## 2 easy steps to get your teen registered for school

The Peel District School Board's *We Welcome the World Centres* can help register your teen (born 1988 – 1995) for high school and help you find resources to get settled in Canada.

---

### **Step 1: Call 905-366-8791 for an appointment**

Call to book an appointment at one of the three *We Welcome the World Centres* to get your teen registered for high school. During this appointment, your teen will be assessed for language and math skills.

**Note:** An assessment is not a test. There are no marks. It is designed to help us understand your teen's educational background. It will be used to help design a learning program for your teen.

---

### **Step 2: Visit the *We Welcome the World Centre***

On the day of the appointment please bring the following documents for your teen:

- ✓ proof of age—birth certificate, **or** passport, **or** Permanent Resident card
- ✓ proof of address—utility bill, **or** purchase agreement, **or** formal lease
- ✓ school documents—recent report card, **or** school leaving certificate—if available

---

The assessments may take up to three hours to complete. There are many services available at the Welcome centres while you wait for your teen. Free services include:

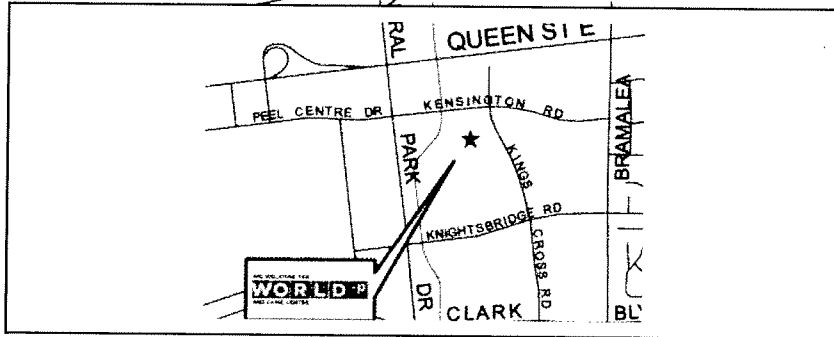

- settlement services (information on housing, health care, job search)
- information about parent education programs
- childminding
- Internet access
- interpreters (available upon request)
- information about the Ontario education system
